# OUR ADVENTURE

## Sharks Board: Emotional Intelligence

### Training

The training was 6 days. There were 44 candidates, groups from Interns, Operations management and Group admin. We were tasked to conduct emotional intelligence training that was starting in September 2021.

## SmartXchange: IoT and Robotics Training

We successfully completed the 2021 Robotics and IoT Training, sponsored by SmartXchange, equipping seven IT entrepreneurs with essential skills to enhance their businesses in the 4th Industrial Revolution.

## SmartXchange: Laptop and Smartphone repairs training

Zenotha IT Solutions has provided training for learners in the SmartXchange Programme in Smartphone and Laptop Repairs. The trainings were conducted professionally and with due consideration as per the stipulated agreements. Students have benefited tremendously from these programmes.

## uMhlabuyalingana Local Municipality | CompTIA Cybersecurity Analyst (CySA+)

We successfully collaborated with uMhlabuyalingana Local Municipality to deliver CompTIA CySA+ training, strengthening cybersecurity skills, data protection, and POPIA compliance

## OUR ADVENTURE cont...

### MUT (Department of Information Communication): Robotics, Internet of things

We successfully hosted a public lecture for 74 first-year students at Mangosuthu University of Technology, introducing them to 4th Industrial Revolution technologies such as Virtual Reality, 3D printing, and Robotics.

### MUT HerDigitALL Camp: Empowering Young Woman for Digital Skills

We successfully completed the HerDigitALL Camp, appointed by MUT in partnership with London South Bank University, Master Builders Association KZN, and the British Council. This three-day camp equipped participants with essential digital skills for excelling in the construction sector.

### UMshwathi Municipality: Organizational Development Workshop

We successfully completed a 4-day Team Building session for 265 municipality staff members, featuring exciting activities that boosted teamwork, morale, and collaboration.

### CSOS: Database Management and Data Capturing

We successfully delivered a five-day Database Management and Data Capturing training for the Community Schemes Ombud Service, improving data accuracy, and efficiency, security, and POPIA compliance.

### Invotech: Advanced Microsoft Office Training

We successfully completed training for 11 entrepreneurs, focusing on enhancing their skills in daily business administration. The training proved highly effective in supporting their business growth and development.

## OUR ADVENTURE cont...

### uMshwathi Municipality: Performance Management Training

We delivered a tailored performance management training for uMshwathi Municipality, equipping managers with skills to align goals with the SDBIP, set SMART targets, give effective feedback, and address skills gaps—promoting accountability and continuous improvement.

### Health Systems Trust: Microsoft Training for PWD Learners

We provided Microsoft training to 10 PWD learners for Health Systems Trust, equipping them with key digital skills to support their future roles and HST's inclusivity goals.

### SASSA Durban: Microsoft Access Training

We successfully completed the Microsoft Access training at the SASSA Durban District Office. The training was delivered seamlessly, showcasing our commitment to high quality, client-focused solutions.

### uMshwathi Municipality & uMhlabuyalingana Municipality : Basic Computer Training for Municipal Councillors

We successfully completed Basic Computer Training for Municipal Councillors, equipping them with essential digital skills to enhance productivity and support effective governance.

"As we navigate the Fourth Industrial Revolution, our greatest strength lies in our ability to learn, unlearn, and relearn. The future belongs to those who can harness the power of technology for the greater good."
